Weekend staffing at the Museum

We are pleased to advise that we have embarked on a program to employ staff to work at the Motor Museum every weekend. Whilst a couple of positions have been filled, we are in need of some extra people to do regular paid work on weekends.

If this is of interest to any member who can bring the requisite skills to this position, please request the job description from the secretary, Peter Quennell on 5145-1103

If you have not yet met the newly appointed staff, please drop in and introduce yourselves.

All events on this calendar are club red-plate events. Members who work at the museum during our open hours will be classified as coming to a GVC event for red-plate purposes.
