Do you own anything in the annex of the Gippsland Vehicle Collection or perhaps have some important things stored away there for a project????

We are asking all members to please let us know if this is the case as we want to have a clean up of the annex and do not want to dispose of anything which may belong to someone or which is earmarked for a project.

Please contact President Graham Gunning on 0409 667 096 prior to Friday 13th of October if you would like us to retain something for you.
